Introducing East London's Hidden Gem

Welcome to The Heritage & Arts Centre at Holy Trinity Church Bow (The HAC Bow) and Lichfield Hall, situated just a matter of minutes from Mile End tube station. Both of our stunning spaces can be hired for community-focused, heritage and arts related events.

About our work

Built around 1839-40, Holy Trinity Church is steeped in Victorian history. This stunning space is home to Epainos Ministries, an active church with members who are committed to the upkeep of the church and its grounds.

Restoring Holy Trinity Church back to use

After closing its doors in 1984, Holy Trinity Church Bow lay dormant for many years, eventually earning a place on the Heritage at Risk Register as a Grade 2 listed property. Fortunately, donations from our local congregation, support from resident Architect Julian McIntosh, together with funding from the Heritage Lottery Fund, Historic Churches and English Heritage allowed for the first phase of much-needed restoration of Holy Trinity Bow Church. And with that, we renamed it The Heritage & Arts Centre Bow.

Over 50 Years Of Hosting Weddings

Not only do we hire out two fantastic spaces to photographers, designers, artists, community organisations and the Local Council we help couples design and create exquisite wedding receptions in these venues.

We are actively fundraising to restore Holy Trinity Church back to its former glory by building sustainable infrastructure into our Phase 2 restoration plans. With your help and support we believe we can achieve this aim.

PLEASE DONATE
